

LEGACY RIDGE

— YOUR LIFE. OUR PURPOSE. —

Legacy Ridge, A Memory Care Community would like to provide supportive resources during this time of uncertainty. We want to give caregivers at home the tools to help promote understanding, reduce stress, and improve communication to those you care for. Our memories make us who we are and at times it may be difficult to navigate care at home for a loved one.

Legacy Ridge will be hosting author Elaine Pereira author of *I Will Never Forget* on a special zoom call, Thursday, December 3, 2020 at 4:00p.m.
