Here, gracious accommodations and a caring team cater to each resident's ever-changing needs and wants.

From the Safe and Secure Courtyards, Spa, Fitness Center, Salon and Activity Rooms, to the Restaurant Style Dining, Legacy Ridge offers the ultimate in comfort, care and style. It's a place where healthy living and healthy aging go hand in hand. Quite simply, this is life as it should be.

Perhaps the best part of Legacy Ridge is that your home here can accommodate any needs you have now and the needs you may have as time goes by. As a fully licensed community with an expert team and facilities, we are able to provide all our residents with assisted living services or help with ADL's (activities of daily living) when and if needed down the road. Living here, you can have peace of mind knowing that you made a wise choice for tomorrow as well.
